

WILL MAKE SHORT STOPS IN TOWNS

Telegram Received by Mayor
of Oklahoma City

LIMITED TO TWO HOURS

Will Visit Many Important
Cities and Towns

Guthrie, O. T., May 8.—A telegram received here today from private secretary to Secretary Hitchcock, Smith, by United States District Attorney Speed announces that the secretary's party will reach the capital city Wednesday afternoon. The party will remain here several days and it is said that the secretary will transact considerable business in matters pertaining to the department and has ordered his mail sent to this city. As soon as the secretary of the trip is learned Governor Ferguson will make arrangements to meet the party at the borders of the territory and accompany them on their tour over Oklahoma. The party was at Sulphur Springs today and will leave for a Sunday's visit to several towns in the Indian Territory before reaching Oklahoma. It is quite probable he will enter the territory Sunday evening by way of Shawnee and thence to Oklahoma City where he will arrive Monday morning. Mayor Van Winkle of Oklahoma City has received a telegram to that effect and the stay in Oklahoma City has been limited to two hours.

From Oklahoma City the secretary will go to Chickasha, I. T.; thence to Lawton and Anadarko and El Reno. The trip may be extended to Enid, the party reaching here Wednesday afternoon. Thousands from all parts of the territory will welcome Secretary Hitchcock when he reaches Guthrie and the railroads will make special rates in order to accommodate the people. The reception will be in the territorial building and the business houses will be profusely decorated. Never before has Oklahoma extended such a hearty welcome to a department official and his visit in the territory will be made a pleasant one indeed.

Mark Grieve First
To the Editor of the Eagle:
A few days ago I read in the Eagle that an effort was being made to erect a monument in honor of William Greiffenstein in the park. Greiffenstein park is itself a monument in his honor. But have the committee stopped to think that on the brow of the hill in Highland cemetery William Greiffenstein awaits the resurrection without so much as a marker at his head that the passing stranger may know who he is?

I think if those who love the memory of William Greiffenstein would erect a monument at his grave, the same as was done for Governor Lowelling, it would be a more fitting tribute.

A CITIZEN.

AFTER LONG YEARS.
A. G. Wright and a Long Lost Brother Are Reunited.

David Wright is the guest of his brother, A. G. Wright, at 229 Wabash avenue. He arrived yesterday morning and their meeting can be imagined when it is said that, although both are comparatively young men, they have not seen one another since they were boys at Hunnewell, Sumner county, twenty-eight years ago, and for twenty-three years they did not know where the other was or whether dead or alive. David Wright had lived in Colorado nearly all the time and, with the exception of three years, has not been out of the sight of snow for nearly a quarter of a century. Mr. A. G. Wright recently moved here from his farm on the Chickasha bottoms in Sumner county.

Under her sentence in the last trial Jessie Morrison was found guilty of murder in the second degree and was sentenced to imprisonment for twenty years in the Kansas penitentiary. Col. Smith was counsel for the prosecution in this case, which has now been twice tried in the district court of Butler county and has been twice to the supreme court of the state.

WHAT IS IT?
Much Discussion Over Hand in Corner's Possession.

Corner McCullister is in a quandary over what to call the piece of flesh and bone which Chas. Robinson, a colored man, found in his yard. Thursday he pronounced it a human hand and gave his reasons for thinking so, but since then his theories have been slightly shaken. Yesterday he lectured Farmer Doolittle to examine the fragments and Farmer pronounced it the right kind paw of a raccoon. Farmer Robinson, a colored man on Dog creek and is authority on coons. Knowing this the corner has a whole some respect for his opinion and was just about won over when the colored pastor of the court house, who viewed the hand from afar, said: "No, sah, de am de!"

He concluded that it is not a human hand, but cannot make up his mind whether it is the right hind foot of a raccoon or the hind foot of a badger. An inquest will probably be held in a few days if the discussion continues.

RECEPTION FOR WOMEN

GIVE SIX O'CLOCK DINNER.

Forter, of Marsville, department president of the Women's Relief Corps, and Mrs. Anna Koch, of Harper, Kan., Mrs. Fritz Schmitzler entertained at 6 o'clock dinner last Wednesday evening, twelve ladies being present, consisting of Mrs. Henry Schmitzler, Mrs. Otto Koppinger, Mrs. Carl Schmitzler, Mrs. John Aden, Mrs. Carl Schmitzler, Mrs. Sophia Knablauch, Mrs. Harley McCall, Mrs. Frank Leonard, Mrs. Will Taylor.

PAVE FAREWELL PARTY.
One of the pleasant events of last week was the farewell reception given by Mr. and Mrs. W. F. Allison, at their home, 320 East Central, in honor of Mrs. Lena Franks, and daughter, Lucille, who left for Carthage, Mo., last Wednesday, where Mr. Franks awaits them, and where they will make their future home.

Only the intimate friends of Mrs. Franks were invited, and the affair was entirely informal and greatly enjoyed by all. L. A. Watson favored the guests with several piano solos and Mrs. Allison with some vocal solos.

A delicious luncheon was served, consisting of sandwiches, pickles, dressed eggs, salads, lemon pie, coffee, cake and strawberries with whipped cream. Although each spent a most pleasant evening, many pangs of sorrow and regret were felt when the time came for good-byes, as Mrs. Franks has made Wichita her home for so many years and was known and loved by a wide circle of friends and relatives, who will greatly miss her in the future.

MUSICAL RECITAL.
Mrs. Dr. O. A. Matthews gave a musical at her home, 1214 North Wichita, Tuesday evening, that could hardly be surpassed in the city for some time. Those taking part in the program were: Miss Allen Minick and Mable Bone, two members of her advanced scholars. Dr. Walter Minick, Mrs. C. A. Matthews, and her little 4-year-old daughter, Inez May. This little girl's singing is wonderful, because of the ease with which she sings. It is to be regretted that the recital could not have been public. The music was excellent. Refreshments were served immediately after the program. Those present were: Dr. and Mrs. J. M. Minick, Mr. and Mrs. Dan Boone, Dr. and Mrs. Walter Minick, Mr. John McKinney, Dr. W. A. Minick, Misses Allen Minick, Mable Bone, Mary Selph, and Dan Boone, Jr.

WOMAN'S RELIEF CORPS.
The Woman's Relief Corps (W. R. C. No. 40), Tuesday, after the regular order of business, held an open meeting and received the members of Garfield post, serving delicious refreshments, ice cream, cake and coffee. The coffee was far above the average, and showed that Sister Beach knows what the old comrades like. It was not like the black coffee they received during the war, but the purest of amber and wholesome and refreshing. The ladies were fortunate enough to have with them their department president, Mrs. Emma E. Porter, who made some remarks for the good of the order. She spoke of the work of the corps in the highest praise, and complimented them in many ways. Sister Porter is one among the sisters, and they always enjoy a talk from her. WOMEN SAY OF PE-RU-NA:

"I am Healthy and
Happy Once More."

Miss Hattie Grace, 24 W. Forty-sixth St., N. Y., writes:

"Peruna has changed me from a fretful, irritable, nervous woman into a healthy and happy one. Nothing seems to worry and to fret me any more. Since early womanhood I suffered with bearing down pains and nervousness. I was thin and worried but Peruna restored me. Those who knew me before cannot understand the change, but I can sum it all up in the blessed word Peruna."

A Heart to Heart Talk With Women By Dr. S. B. Hartman, M. D.

IF ALL the sick mothers, invalid daughters and diseased sisters in this broad land would take the following ladies' simple and direct testimony to heart and do as they have done, no pen could describe the benefit that would follow. There are so many women, especially married women, who drag themselves wearily around from year to year without any particular disease, and yet miserable beyond description. They ache and tremble and shiver, growing more nervous, tired and debilitated every day. For this class of sufferers Peruna is the most perfect remedy in existence. It relieves, it soothes, it quicks, it strengthens, and no tired, overworked woman in the land should be without Peruna in the house for a single day. Those women who desire to consult Dr. Hartman may do so in all confidence. He has an experience of over fifty years in the treatment of women's diseases and gives his advice entirely gratis. Thousands of women have been cured by correspondence. Dr. Hartman has written a book especially for this class of women. It is entitled, "Health and Beauty," and will be sent free upon application. It gives invaluable advice for the maid and matron.

A Letter from Minnesota.

Mrs. Pauline Winters Hansen, 211 25th Ave., West, Duluth, Minn., writes:

"I want to say a good word for Peruna, as it has cured
